

Evidencing the use of the PE and Sport Premium funding: Action plan and Impact Review

The DfE Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to schools to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the funding to:

- develop or add to the PESSPA activities that your school already offer
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools need to ensure **impact** against the following 5 Key Indicators:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE, Sport and Physical Activity being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and Sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium and the impact it has had on pupils PE and sport participation and attainment is available on the school website by **31st July 2021**. Schools also have a responsibility to publish on their website the % of children who achieve the expectation for swimming by the end of Year 6.

***In the case of any under-spend from 2019/2020 which has been carried over this must be used and published by 31st March 2021**

You should not use your funding to:

- employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of the national curriculum – including those specified for swimming
- fund capital expenditure

Academic Year:	September 2019/March 2021
Total Funding Allocation:	£16, 120
Actual Funding Spent:	£15,480

PE and Sport Premium Action Plan

Indicator 1: The engagement of <u>all</u> pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school			Percentage of total allocation:
Intent	Implementation	Allocated funding	Anticipated outcomes
Repairing the current Trim Trail and buying a new one to be put on the school field.	Buy the necessary equipment to repair the current trim trail and order a new one.	£3000	Existing trim trail becomes usable and a new one installed meaning more children can use at once.
To provide pupils with opportunities for structured activities at lunchtimes	Lunch time supervisors to run lunch time sport and physical activity activities	£0	All children to have access to a structured activity during lunch times.

Meeting National Curriculum Requirements for Swimming and Water Safety

The pupil outcomes of the statements below <u>must</u> be reported on the school website for the current Year 6 cohort		
What percentage of Year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres?	78%	

What percentage of Year 6 pupils can use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	69%
What percentage of Year 6 pupils can perform safe self-rescue in different water-based situations?	69%
Schools can choose to use their Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	YES/NO

Additional information that could form the basis of a report to governors
